

School Supply List - 2018-2019

Mrs. Judy Domke - Grades 1-2

- *NIV Bible*
- *Christian Worship: A Lutheran Hymnal*

The Bible and Hymnal can be bought at registration. A Bible from home is fine, but please make sure it is a NIV (New International Version) translation.

- 3 pocket folders – the ones with horizontal flaps work best
- 2 composition notebooks, wide lined (**100 sheets, 200 pages**) These are NOT spiral notebooks.
- 1 large school box for markers, pencils, colored pencils and stuff. The large plastic shoebox kind is ideal.
- watercolor markers (wide or narrow tip, or both, if you like) and colored pencils. You may want to buy a couple packs of markers when they are on sale since many are lost or dried up/used up by Christmas.
- 6 glue sticks and one bottle liquid glue
- scissors
- at least 6 sharp pencils
- 1 large eraser – pencil erasers are fine, too
- 2 rolls paper towels
- backpack or duffle bag - Please make sure it is a big one.
- indoor, non-marking sneakers – Students will need them every day for inside recess, gym class, etc. Please don't send sandals or flip flops, they are not allowed. Thank you for making sure your child wears socks each day. Fancy shoes may be worn in class, but sneakers are a must for both inside and outside recess.

These items certainly don't have to be brand new. If you have stuff left over from last year that's fine with me.

Please label your pencils, markers, colored pencils, scissors, etc. You will not need to label the composition books or the folders because we will make labels for them on the first day.

You probably noticed no ruler on the list. I have some new ones made especially for little kids, so we're all set!

If you have any questions, please call me! 468-3465 or 488-6517
